If application for membership is accepted, the "Corporation" agrees to pay dues for the entire membership year (April 2017– March 2018). The Wildwood Board of Trustees may, at its discretion, pro-rate the dues of the first membership year if application is approved after April 30, 2017. All Corporate Memberships are subject to \$150 per quarter Clubhouse minimum spending that includes both food and beverage purchases. The monthly fees noted above assume the 10% application fee is applied and that the EFT is spread over 5 equal payments.
