Sponsors (Current Wildwood Golf or Social Members)

Should the Wildwood Board of Trustees choose to accept this application, I and the other names on my membership agree to abide by any and all regulations governing Wildwood Golf Club. I agree to pay for any fees including but not limited to the membership dues, annual assessments (as levied by the board), and club minimums.

Applicant's Signature _____ **Date** _____

Application must be accompanied by non-refundable \$250.00 application fee. The fee will be applied toward dues once membership is approved. Applicants may pay dues in full with application or they may sign up for monthly payment via electronic fund transfer (EFT); \$25 EFT setup fee applies. If application for membership is accepted, the applicant agrees to pay dues for the entire membership year (April 2022– March 2023). The Wildwood Board of Trustees may, at its discretion, pro-rate the dues of the first membership year if application is approved after April 30, 2022. All Golf and Social Memberships are subject to \$75 per quarter Clubhouse minimum spending that includes both food and beverage purchases. The monthly fees noted above assume the \$250 application fee is applied and that the EFT is spread over 11 equal payments. The monthly fee will be adjusted to include the tax and capital improvement fees, and to accommodate for fewer payments or in the case where the member chooses to pay more up front. The EFT option is not a monthly membership option. It is a monthly payment plan for an annual membership. *A photo copy of an applicant's driver's license must accompany all applications.*

**\$50 Membership Equity Fee (\$500 Total, \$50 per year)*

WILDWOOD GOLF CLUB
