PRESIDENT'S REPORT

CHARLIE WEIDNER
CWEIDNER@FUSE.NET

A strange month; spring could be right around the corner or 6 weeks away. It all depended on a rodent in Pennsylvania.

I call it my day dream month. I dream about all the tournaments I'm going to win and all the skins I'm going to win on Whackers night. I dream about finding a new driver on sale that lets me hit it 20 yards farther than Bilecki, Dietz and Hensley. All things are possible.

I want to congratulate my

fellow Board members - they have to make tough and unpopular decisions that keep our club moving forward. Nobody wants to increase dues or fees, but it had to be done. These decisions affect them too, as well as, their friends and family.

You can help keep these increases to a minimum. How? Recruit! Look around at your friends, family, coworkers, neighbors, and cellmates. Invite them to come and take a look at

our club. Introduce them to Jordan and let him answer any questions they may have. You are the best recruiters we have.

Last month I relayed some of our history. This month we will look at 1970. Wildwood made a lot of changes that year. The 14th hole was completely redone from tee to green. A number of greens and tees were reshaped. Ninety-five new trees were planted. Juniors from the 7th to 12th grade formed a junior board that planned activities throughout the summer. One sign of the times was a rule

that ladies could not tee off until 2:30 PM on Saturdays and 1:30 on Sundays. I don't think Jordan would be safe to try that today. Make sure to check out all of the socials this winter and spring.

SOCIAL REPORT

KRISTIN ANDERSON
KRISTINANDERSON31@GMAIL.COM

Hey Wildwood! Are you ready for a fun close to Winter? Say Yes!

Check out the calendar for upcoming events in February and March. In addition to email blasts and Facebook, you can find the most up-to-date information by visiting the events calendar on our website or take a look at the TV monitor by the back entrance of the club. Plus, be on the look out for an "February / March Events"

card (thanks, Alliance Printing!) available at the club within the next week.

Lastly, a huge thanks to our committee, Jordan Lawson, and all the Wildwood staff for their work in making these events a huge success. Thank you!

POOL REPORT

NICK CALLSEN

NCALLSEN@HOTMAIL.COM

Pool season will be here before we know it! We will be in search of lifeguards for this summer. If you are interested in becoming a lifeguard or know someone who would like to lifeguard please get in contact with Nick or Jessica Callsen. Also, please check local YMCA, Red Cross, or American Lifeguard Association websites for age requirement and certifications.

***IT REPORT***

BRIAN BROWN

BBROWN14@GMAIL.COM

The new Wi-Fi network is up and running and has improved coverage in the clubhouse along with integrating the pro shop so that our members have a single network to serve their needs. Thanks to Mike Gomia and David Uhl for their help in cabling. My brother Brad donated considerable hours to help in this endeavor. Jordan and I are working

on improving our phone situation and reducing our costs on this front, as well as, improving our internet connection speed for our guest network. As of Feb 10th, our internet connection speed is 4 times better than before! We have unveiled a new eMarketing platform improving the look and utility of our email blasts. You may have

noticed on the one that guided you to this Tee To Green. Notice that you can quickly share the content of any email blast on your social media accounts. We encourage this as a way to market Wildwood to your friends. This new platform has also made it harder to accidentally unsubscribe from our email communications. As always, if you have any needs, thoughts, concerns, or ideas related to our technology, please send them to me via email or speak to me

at the club.

Did you know that you can have your club receipts emailed to you? If this is something you want, tell one of the staff your email address and each time you close your account, ask them to email you a copy of the receipt. It'll be in your inbox before you get to your car.
