

Wildwood Golf Club Middletown, OH

TEE TO GREEN - SEPT/OCT 2016

PRESIDENT'S REPORT

CHARLIE WEIDNER
CWEIDNER@FUSE.NET

As the leaves start to turn and there is a nip in the air, I look back at an amazing year of activity at our club. In the winter we had dinners, bingo, trivia, and live music. The spring brought the beginning of a golf season that had some kind of tournament almost every weekend. Sorry to admit that I was 0-for until the Superintendent's Revenge, but there is still hope for the Horn Scramble.

Nick and his crew had a great pool season. Our clubhouse continues to be active with all kinds of reunions, weddings etc. It's always fun to be on the deck. As my term on the board ends, I want to thank my fellow board members for their dedication and hard work. Remember, your club is run by a completely volunteer board.

There is information elsewhere in this TTG about possible new board members and I wish them well.

As this my last TTG, I want to thank all of the volunteers that work throughout the year to make this club special.

Wildwood has always been supportive of College and High School golf. With the closing of Weatherwax, all of the courses in the area have to step up and allow access to their clubs so this sport can continue to thrive. These young men and women are very important to the future of the golf business. Jordan will schedule these practices and matches so it will not limit member access. I hope that when these young people start looking for a place to join as they become adults,

they will have fond memories of Wildwood.

My last thoughts are of all the people that have gone before us and kept this club going for 94 years. We have a responsibility to them and future members to take care of this beautiful property. Be the person that fixes or sands all the divots they see. Rake a trap that somebody else didn't. Repair numerous ball marks while your buddies are reading their putts. Be aware of cart rules and remind others that may not know them. Be mindful of the impact on fellow players when you're having a good time. This is our club. Don't let others bring it down.

For history, in November, 1984, we became the proud owners of the club. In August of 1985, Marianne Morris qualified for the Women's US Open. She grew up here at Wildwood. In February of

BOARD MEMBER CANDIDATE BIOS

JOHN FRANCIS

I have been a member for about 3 years. I am a District Manager for Sprint and manage all the corporate stores in Cincinnati. About 70 people report to me.

I graduated from Monroe High School in 1995 and, in 2000, earned a bachelor's degree in Police Studies/Criminal Justice from Eastern Kentucky University.

I live on Ardmore, just around the corner from the club, with the best two ladies a guy could ask for—my wife, Tina, and my 3 year-old daughter, Kai ,who

thinks she's the mayor of the clubhouse. I'm sure most have seen Kai; she's the crazy, curly-headed kid running around visiting with everyone.

The biggest reason I want to run for the board is simply that I want to help the club grow. Working from home gives me freedom and flexibility to help when needed and I'm dedicated to making Wildwood the best club in the area. I love what I see happening at the club and it's clear that things are on the upswing under Jordan's direction and I want to be a part of it.

PAUL MOSKO

My wife, Deedee, and I have been WGC members for 30+ years and our family has enjoyed all that Wildwood has had to offer over the years. It is now time to give back! Our three children are better adults now due to the friends and mentoring they received from the Wildwood community. It is now time to give back.

A pharmacist by education, I recently retired from Premier Health as System Vice President Pharmacy Operations.

With over 40+ years of management and operations experience, I bring some necessary skills to help WGC continue in its great traditions and further its growth.

would appreciate your support and nomination for the WGC Board of Directors.

Thank you,
Paul
